|      |                |                                |             |
|      |                |                                |             |

***Important Notice:** Contractors are responsible for ensuring prevailing wage compliance of all subcontractors contracted beneath them. Be advised should a tiered subcontractor be found to be non-compliant the contractor hiring the affected subcontractor may be responsible for wage restitution and any accrued penalties. Please be sure to list all subcontractors for the project, including those with contract amounts less than 1/2 of 1%.*
